

April SCRIP News

First and foremost, I hope this finds you and your families in good health.

Due to the CSBC school closure the April SCRIP order will be treated like the summer order---with a few modifications to help protect our staff and families.

The due date for the April order **remains Tuesday, April 21, 2020**. The SCRIP reps kindly ask that your orders be mailed to your respective school by that date. If you are having trouble getting your order to the school by that Tuesday, please contact your rep for assistance. Sadly, the local vendors will not be available for this order.

If the schools are reopened by the end of April timeline, the orders will be sent home in the manner you request on the form. If the schools remain closed, please contact your school or SCRIP rep to determine the safest way to pick up your order.

The next order is scheduled for May 26, 2020, please note that this is also the **last** order for the 2019-2020 school year. The plan is still to have a summer order, that date has not yet been set but please remember that the summer order profits are applied to the tuition cost for the 2021-22 school year.

If you have any questions or concerns about any SCRIP matters please contact your school rep.

Stay Safe & Stay Well
