BASC is offered to students PK3-6th grade and operates according to the school calendar. If school dismisses early because of inclement weather, parents will be notified by phone that there will be no After School Program. Snacks will be provided for your student at the after school care program, but you may send an extra snack/drink with your child if you wish. We ask that your student does not bring any toys/non-educational devices (i.e. tablets, Nintendo switch) from home to before or after school care.
