

Endwell Community Chorus Scholarship

The Endwell Community Chorus is offering a \$1,500 scholarship to any senior planning to major in anything related to music. The winner, selected by audition, is required to perform with the choir at our annual concert on May 15, 2026, at 7:30 pm at Vestal United Methodist Church.

On 4/18 from 9 am to Noon we will be holding auditions for current seniors with a committee of five experienced musicians providing written feedback to all participants. They will also select the winner of our expanded \$1,500 scholarship. It's a great way to practice and get professional feedback on your NYSMAA solo or any other piece(s) you choose.

Audition windows last fifteen minutes, but participants usually perform for five to ten minutes. A piano is available if you bring an accompanist. Some students use their cellphones for accompaniment, but accompaniment is not required.

To get a time, simply email Dr. Douglas Green at DrDougGreen69@gmail.com

Auditions will take place at Northminster Presbyterian Church on Hooper Road in Endwell, NY, across the street from Main Endwell High School.
