

# Fall SCRIP News

Now that families have settled into the 2026-27 school year, it seems to be a good time to revisit the SCRIP program. For those families unfamiliar and/or new to the CSBC system it is the gift card purchasing program that helps you save on tuition costs for the following school year (2027-28). For more detailed information please visit www.csbcsaints.org . This information can be found under the Menu Section-- About CSBC---SCRIP Program.

**Program Updates**.

Low Denomination cards are now available for a limited time. I am very sure they will be available for the November 3 order but cannot guarantee their availability for the December 1 order date. They make great Secret Santa, stocking stuffer and teacher gifts. If interested, I would strongly encourage ordering them on the November 3 order. Also, the December 1 order date will be the ***last*** order before Christmas break.

**Beginning December1, 2026 many Speedway locations in Broome County will become Jays and will no longer accept Speedway gift cards. Remaining Speedway locations include Johnson City, Whitney Point, Conklin and Apalachin**.

**New Vendor**

Let's Eat is a new vendor whose card can be used at the following restaurants'…Cheesecake Factory, Cracker Barrel, Cold Stone, Panera, Red Lobster &Red Robin.

I will be happy to answer any questions you may have regarding the SCRIP program.
