

God's Saintly Girls Group

An After-School Club for Girls!

Our time is spent on the girls just being themselves and having fun together.

It is also time to share and chat our highs and lows of our day.

It is highly centered on being a safe, faithful environment that builds on our girls self-esteem.

We meet twice a month and spend that time doing crafts, having a snack and playing games together.

Grades 2nd-6th are invited to attend.
