

April 4, 2019

Dear CSBC Community,

As many of you know, Mrs. Angela Sherwood announced her plans to retire earlier this year. Upon receiving her announcement, the position was posted, and a search committee was formed to review applications and conduct interviews. Last week I received the search committee's report regarding the finalists. Based on their feedback and responses provided by references, an offer was extended.

It is my pleasure to announce that Mr. William H. Pipher (Bill) has accepted the position of Principal at All Saints Elementary School in Endicott.

Bill attended All Saints School as a young child when it was Seton Catholic Middle School. Both of his children have attended All Saints as well and he has been teaching there since 2012. Bill is currently working towards his Certificate of Advanced Studies in School Building Leadership at Le Moyne College. Additionally, he has been interning with Angela Sherwood during the afternoons at All Saints. Bill will continue interning until Angela's retirement on June 30, 2019 and he will assume the Principal role on July 1, 2019.

I want to extend my appreciation and thanks to Maria Smith, as chair, and the Search Committee for their time and work in reviewing files, interviewing candidates and reporting their recommendations back to me. Many thanks also to Angela for her mentoring during her last six months in the position. She has done an outstanding job providing Bill with knowledge of the day to day school operations that he will need when he assumes his new role.

Please join me in congratulating Bill as the next Principal of All Saints School.

Many Blessings,

A handwritten signature in black ink that reads 'Elizabeth Carter'.
