

February 27, 2020

Dear CSBC Community,

I am writing to ask our CSBC community for your partnership in keeping our schools safe during the current coronavirus public health crisis.

Please know that our schools are following all appropriate protocols as set by the Broome County Health Department, Center for Disease Control and the World Health Organization. With Spring break on the horizon, we are asking all members of the CSBC community to be vigilant in terms of monitoring their international travel. Please remember to keep the safety of our school community in mind and if you should travel to a country that is experiencing an outbreak or find you are experiencing symptoms, please report symptoms to your physician and follow recommended quarantine procedures.

We appreciate your help in keeping all of our schools healthy and safe.

Thank you,

A handwritten signature in black ink, appearing to read 'Elizabeth Carter', is written over a white background.
