

Math Olympiads

Helping bright minds reach their full potential.

Math Olympiads provides opportunities for students to engage in creative problem solving activities while developing the ability to reason, to be logical, to be resourceful, and occasionally to be ingenious.

Contest Dates:

- November 13th
- December 11th
- January 15th
- February 12th
- March 11th

Coaches:

Mrs. Howard
goward@syrdiocese.org

Mr. Rogers
nrogers@syrdiocese.org

Please feel free to contact us with questions!

Our goals for participants include:

- Developing enthusiasm for problem solving and mathematics
- Deepening the understanding of mathematical concepts and strengthen ability to use these concepts
- Considering concepts that they might not otherwise encounter
- Enriching experiences in intellectually stimulating and significant mental activities
- Building a stronger foundation for assessments and for future mathematics studies

Who: For 7th and 8th grade students who are looking for more of a challenge in mathematics

When: Practices will be **Tuesdays** after school starting October 8th and all contest dates are on **Wednesdays**

3:15pm to 4:00pm in room 202 (Mrs. Howard's room)

What if I can't make the meetings? You can still be a part of Math Olympiads if you are willing to work on math problems on your own and check in with your coaches once a week. Contest dates are mandatory.
