

## **Job Advertisement: Math & Science teacher for grades 4, 5 & 6 (2026-2027)**

St. John the Evangelist School is a welcoming, vibrant Catholic community dedicated to academic excellence and faith formation. We are committed to fostering a loving, safe environment where students can thrive academically and spiritually.

### **Position Summary:**

We are seeking a passionate and qualified multi-grade Science and Math Teacher for the upcoming 2026-2027 academic year to join our dedicated faculty.

### **Key Responsibilities:**

- Develop and implement engaging lesson plans in accordance with diocesan curricula.
- Integrate Catholic faith and values across the curriculum.
- Create a positive, nurturing, and disciplined classroom environment.
- Assess and monitor student progress, communicating regularly with parents.
- Collaborate with colleagues to enhance the school's mission.

### **Qualifications:**

- Bachelor's degree in Education or a related field (Masters preferred).
- Valid teaching certification (preferred).
- Demonstrated ability to inspire learners.

### **Compensation & Benefits:**

- Full-time employees receive free tuition in the Catholic Schools of Broome County for children and grandchildren!
- Salary Range: The range would be from \$37,000 to \$45,000, depending on experience. The Diocese recognizes 1/2 year for every year someone taught in public school. Masters would add \$1,500 and certs \$200 each.
- Comprehensive benefit package available.
