

January 2019

Dear Seton Catholic Central,

Please allow my child,

---

**(print student's name)**

to sign themselves out and leave school after they complete testing during midterm week in January 2019. I understand that once my child signs out, they are leaving school for the day and Seton Catholic Central will no longer be responsible for my child. I understand that middle school students are not allowed to leave the school grounds for any reason and then return to school.
