

# Welcome to SCC Cafeteria!

SY 2022-2023

As a new school year quickly approaches, please take a few moments to review the following information regarding your student(s) School Lunch Program as there are some new and exciting changes for the upcoming school year!

First and foremost, the introduction of our very first Point of Sale (POS) unit for our serving line! This will expedite our service and eliminate inaccuracies within our record keeping. Your child will be issued a four digit PIN number, which they will enter at the point of sale. Their information will be pulled up and all charges, purchases, or deposits will be recorded into their personal account.

To fund your student's account, we recommend parents or guardians deposit money using MySchoolBucks. Cash and check (make payable to SCC Cafeteria) payments are also accepted. You can also use MySchoolBucks to receive low balance alerts, set up automatic payments, and set daily and/or weekly spending limits. To access MySchoolBucks, visit our website at the address below.

If your student has qualified for free or reduced meal prices, this information is noted in the system and the meal will be processed just as it is for all other students without any special indication to other students. All students will be entered as a zero dollar balance. As of now, students are allowed to charge for anything available in the cafeteria. If you DO NOT want your student(s) to charge items, please reach out to me and I will personalize the account per your request.

**Breakfast** is available daily from 7:15am until 8:15am. Breakfast is not available on a 2 hour delay schedule. A breakfast meal includes a breakfast pastry or 2 cereals, fruit, juice, and 1% white milk for \$2.25. *A la carte pricing is available.\**

**Lunch** is available daily from 10:30am until 1:30pm. Lunch times may vary depending on a special schedule, et cetera. Lunch is \$3.75 and consists of a main entrée, vegetable, fruit, and milk. Please check the monthly menu for a wealth of information about daily offerings. *A la carte pricing is available.\**

*\*In order for a meal to be charged the current rate, **ALL** of the components for that meal must be met. Otherwise, the items will be paid or charged for **individually**. This includes both breakfast and lunch.*
