# WEEKLY NEWS

## PRINCIPAL'S NOTE

SCC Community:

It is a great day to be a Saint!

Week in Review:

This week was very busy at SCC. On Monday we welcomed our exchange students from India to our school. The rest of the week they visited New York City, Corning, and many other wonderful sites in our area. We will honor them with mass and some presentations from our students and they will provide a presentation for our students on Tuesday April 16th. The mass will be at 1:15 PM and presentations will follow.

Our 7th and 8th graders took their ELA state assessments on Wednesday and Thursday. The students did beautifully as part of our transition to Computer Based Testing,. I would like to thank our middle school team and Mr. Molloy, CSBC Technology guru ,for their work on helping the testing go as smoothly as possible.

This week we also saw many games and events for our Spring sports teams. It is great to see the building full of baseball/softball bats, lacrosse sticks, and running shoes. As always we wish our Saints good luck and remind everyone to be graceful in victory or defeat.

Today marks the end of the 3rd academic quarter! We hope to have report cards in the mail by the end of next week. It is hard to believe we only have about 9 weeks of classes left before finals/regents exams. Guidance is starting to work on the exam schedule and we will get it out to families as soon as possible. New York state has released the regents exams schedule. You can find that information by following this link:  
<https://www.nysed.gov/state-assessment/june-2024-regents-examination-schedule>

Have a wonderful weekend!

Thank you,  
Mr. Patrick Monachino
