AP Exams:

Starting on Monday May 1st, 99 students are taking 232 AP Exams over the next two weeks. Please keep these students in their prayers!

7th and 8th Math State Tests:

Our 7th and 8th grade students will be taking the NYS Math Tests on Tuesday May 2nd and Wednesday May 3rd. 8th grade students in Algebra 1 are exempt from this test. This test will be done in the traditional paper and pen style which is different from the computer-based testing that we did with ELA last week. Please keep them in your prayers on these days.

We are excited to announce a new program at SCC for students who wish to get ahead and take some courses for credit over the summer. We will be piloting this program with the courses of Participation in Government, Economics, and Health. Each course will cost \$500 and you will earn credit. ISSUES WITH ATTENDANCE ON REPORT CARDS

We are continuing to work with our new student information system provider, FACTS, on solving the issues with attendance on report cards. Despite our best efforts to solve the problem our many attempts have been unsuccessful. We appreciate your patience as we continue to work with our partner.

SPRING BREAK TRIP 2024

A group of 29 accompanied me, just returning from a fantastic trip to Croatia, Slovenia, and Venice. The students and adults experienced so many beautiful, amazing places.

Next year, our travels take us to Switzerland, the Italian and French Riviera (Lake Como, Cinque Terre, Nice, Monaco, Monte Carlo, Provence) ending in Barcelona!

If you are interested, please go to Explorica.com to check out the itinerary, cost, etc. You can also email me any questions.

If signing up, enter Tour ID - Schmidt 8488 The deadline for the current price is May 18th (before the next price increase). Put in Travel3H for an Early Bird discount of \$150 which also ends May 18th and if you are a repeat traveler, you receive another \$100 off.

This trip is for students in grades 9-12, as well as adults. I will cap the number at a certain point so as not to get too large a group.

Thank you!
