WEEKLY NEWS

PRINCIPAL'S NOTE

SCC Community:

We hope everyone enjoyed our Catholic Schools Week Activities!

While we had to move the Mass with the Bishop and House Olympics the students and staff enjoyed the wonderful week. I want to thank all of our volunteers who helped make this week special!

Yesterday students in grades 9-12 had the privilege of being part of a Zoom presentation by Holocaust survivor Daniel Goldsmith. His story and message had a great impact on our students and staff. We are in discussion of having a similar, more age appropriate, presentation for our 7th and 8th grade students later in the year!

Teachers, Guidance, and I will be meeting in the coming weeks to start discussing plans for next year and scheduling. Please be on the look out for more information regarding picking classes for next year.

Attached to this email is information regarding Tuition Assistance.

The deadline is quickly approaching. Please fill this out this weekend if you are in need of any assistance. We know the sacrifices our parents and grandparents make in sending their children to our schools. Please provide us the opportunity to lighten the load of tuition by filling out this application!

God Bless,
Mr. Patrick Monachino '03
