

Seton Catholic Central School

February 7th Newsletter

- Please see the Schedule Galaxy website (<https://www.schedulegalaxy.com/schools/163>) on our website for up to date sports schedule.
- Readmission emails for the 2020/2021 school year will be sent to the email address of the primary contact in Rediker, beginning this Monday. Please contact the school if you do not receive an email.
- We will be collecting personal care items to fill shoe boxes for local boy and girl teens. The boxes will be handed out through Catholic Charities. We are also collecting shoe boxes and Valentine wrapping paper to wrap the boxes. Please have your son/daughter bring to Ms. Schmidt. Our Teen to Teen Service Project continues through next week. Each House is responsible for bringing in personal care items to be wrapped in shoe boxes for local teens through Catholic Charities. Items can be put in boxes outside the SLC.

Pope Gregory - toothpaste, toothbrushes, St Ignatius- body/hand lotion, chapstick, bar soap, St John Neumann- shampoo, conditioner, hair items for girls, St Catherine- razors, shaving cream, St Philomena- deodorant, body wash. We are also collecting Valentine wrapping paper. Thank you for your generosity!

Also, please note a major change with Smart Tuition. Beginning with the 2020/2021 school year, all families will be able to access their Smart Tuition account information through one log in. This change was made to improve the experience of our families with children in more than one school. This does require every family to re-enroll their payment plan under the new school ID - Catholic Schools of Broome County 11201. Instructions on how to complete this will be included in the readmission email. If you have been paying by automatic deduction from a checking or savings account, please have this information available.

- Applications are now being accepted from high school seniors in the class of 2020 to represent New York State at the 2020 National Youth Science Camp (NYSCamp). Two students from each state, Washington, D.C, and 8 countries will attend the all-expenses-paid program which is held from June 22 through July 15, 2020. For additional information and to apply, visit <https://nysf.smapply.io/>
- The National Association for College Admission Counseling is sponsoring National College Fairs in Syracuse, NY on Monday, March 16 and Tuesday, March 17. For more information and to register, visit <http://gotomyncf.com>

- Rising high school seniors (current Juniors) are invited to apply for the Appalachian Entrepreneurship Academy. The Appalachian Entrepreneurship Academy will bring together 26 rising high school seniors from all over Appalachia to work and learn alongside top entrepreneurs, startups, and businesses leading innovation in the region through a four-week, all expenses paid, immersive experience in Pittsburgh, PA. Students will team up with other students to develop a business idea or innovation and at the end of the 4 weeks your team will present it to a panel of judges and investors in a pitch competition for a chance to win \$1k. Application deadline is March 6, 2020. For more information and to apply, visit [https://www.surveygizmo.com/s3/5400227/ARC- AEA-Student-Application](https://www.surveygizmo.com/s3/5400227/ARC-AEA-Student-Application)
- The PreACT will be offered at Seton Catholic Central during school hours on February 27, 2020 to all 10th grade students. The PreACT is optional but highly encouraged. Please check your email for more information.
- The League of Women Voters of Broome and Tioga Counties is accepting applications from high school juniors and seniors for the NYS Students Inside Albany Conference to be held May 17-20, 2020. The deadline for receipt of applications and references is February 3, 2020. For additional information and application materials, visit <http://www.lwv-broometioga.org>.
- On Tuesday, March 3rd Broome Tioga BOCES is holding their Center for Career & Technical Excellence open house from 5:30-7:30. All students and parents are welcome to explore the unique classrooms and tour their state- of-the-art facilities, meet with staff, and receive more information regarding courses and training offerings.
- Please join us for our second annual Stem Night on Thursday, February 20th from 6:30-8:00pm. Representatives from; BAE, Lockheed Martin, Binghamton University, Animal Adventure, Cornell Cooperative, Ross Park Zoo, Roberson Museum, Kopernik Observatory, Raymond Corporation, etc. K-12 Welcome! Note: Science Fair awards immediately afterwards for Grades 7-12

- The annual STEAM (Science, Technology, Engineering, Arts, and Math) Pathways Evening will take place on Thursday, February 27, 2020 from 4:30-7:00pm at Binghamton University's Innovative Technologies Complex. Youth in grades 7-12 as well as parents and educators are invited to learn more about career opportunities and the pathways to achieve desirable careers in the STEAM fields. Meet local STEAM businesses, Binghamton University and SUNY Broome students, and college advisors. For more information and to register, visit <https://conta.cc/306P2O1>

- Lockheed Martin is seeking high school software engineering interns. An intern in this position will work closely with a team of engineers in a technical application area such as military aircraft avionics, mission systems, sensor subsystems or mail handling systems, unmanned vehicles, mission planning, simulation or automation. Candidates that have a strong desire to engage, and understand the fundamentals of engineering are encouraged to apply. For more information and to apply, visit <https://www.lockheedmartinjobs.com/job/owego/software-engineering-high-school-intern/694/14546595>

- Attention Juniors: Applications for the New Visions program are now available in the Guidance Office. Applications are due February 12, 2020.

- BAE Systems invites students in grades 9-12 to participate in their Engineering Pathfinder Program. Engineering Pathfinder participants will work closely with engineers from BAE Systems and other area institutions. Each week there will be videos, guest speakers, and hands-on projects in a variety of engineering disciplines for students to take part in. The program takes place on Monday evenings from February 3, 2020 - May 4, 2020. There is no cost to participate in this program. For additional information contact Cameron Vakili at Cameron.Vakili@BAESystems.com.

God Bless,
Mr.
Martinkovic
Principal
