- **January 21st – 24th**: Midterms
- **January 24th**: Quarter 2 ends

Please see the Schedule Galaxy website (https://www.schedulegalaxy.com/schools/163) on our website for up to date sports schedule.

Applications are now being accepted from high school seniors in the class of 2020 to represent New York State at the 2020 National Youth Science Camp (NYSCamp). Two students from each state, Washington, D.C, and 8 countries will attend the all-expenses-paid program which is held from June 22 through July 15, 2020. For additional information and to apply, visit https://nysf.smapply.io/

Great job to our Saints that were honored on pressconnects for their hard work they and accomplishments on the Eagle Scout Project: Gabe Rogers, Ethan Topencik and Angelo Garufi. Please check out the story https://www.pressconnects.com/story/news/local/2020/01/07/faith-eagle-scouts-use-projects-help-local-churches/2822671001/

Congrats to our Academic Challenge Teams who both made the top 8 and one team who finished second! Go Saints! https://twitter.com/SCCPrincipal/status/1214659826682417152/photo/1

Congrats to our Mathletes Teams! The A team has won 1st place for the 4th straight month. The C team defeated the other A teams that were in the competition. Go Saints!

Shout out to Emily Dempsey and Reese Vaughan on being named co-athletes of the week. https://wbng.com/2020/01/07/emily-dempsey-and-reese-vaughan-12-sports-athletes-of-the-week/#.XhZpiIEG4vc.twitter

The annual STEAM (Science, Technology, Engineering, Arts, and Math) Pathways Evening will take place on Thursday, February 27, 2020 from 4:30-7:00pm at Binghamton University's Innovative Technologies Complex. Youth in grades 7-12 as well as parents and educators are invited to learn more about career opportunities and the pathways to achieve desirable careers in the STEAM fields. Meet local STEAM businesses, Binghamton University and SUNY Broome students, and college advisors. For more information and to register, visit https://conta.cc/306P2O1

Lockheed Martin is seeking high school software engineering interns. An intern in this position will work closely with a team of engineers in a technical application area such as military aircraft avionics, mission systems, sensor subsystems or mail handling systems, unmanned vehicles, mission planning, simulation or automation.
Candidates that have a strong desire to engage, and understand the fundamentals of engineering are encouraged to apply. For more information and to apply, visit https://www.lockheedmartinjobs.com/job/owego/software-engineering-high-school-intern/694/14546595

- Girls Who Code Club at Binghamton University is accepting student applications from Broome County High School females for their Spring Session. Girls Who Code is a national nonprofit organization working to close the gender gap in the technology and engineering sector. This program runs Saturday mornings from February 8 to May 2. For additional information and to register, visit https://www.gwcatbinghamton.com/

- Attention Juniors: Applications for the New Visions program are now available in the Guidance Office. Applications are due February 12, 2020.

- For the past several months, Mr. Molloy and Mr. Lucia have been working on the new Media Room. It is now ready for use, and Mr. Lucia will begin training students and teachers in the basics of digital video production and audio production. In the near future, we hope this will become and integral part of the student experience here at SCC.

- Students in grades 9-12 are invited to participate in the VFW's Young American Creative Patriotic Art Contest. Application Deadline to VFW Auxiliary Post 478 (528 Court St. Binghamton, NY 13904) is March 31. For additional information visit https://vfwauxiliary.org/scholarships/young-american-creative-patriotic-art-contest/

- Thank you to the following students who gave their time over Christmas vacation to paint a mural at Northern Rivers Family of Services: Nick Bevaqua, Grace Cawley, Carley Columbia, Lily Combs, Cierra Columbia, Nikki Crowley, Trinity Fauci, Angelo Garufi, Ashley Sinicki, Sasha Zalesski, Alena Zielewicz.

- BAE Systems invites students in grades 9-12 to participate in their Engineering Pathfinder Program. Engineering Pathfinder participants will work closely with engineers from BAE Systems and other area institutions. Each week there will be videos, guest speakers, and hands-on projects in a variety of engineering disciplines for students to take part in. The program takes place on Monday evenings from February 3, 2020 - May 4, 2020. There is no cost to participate in this program. For additional information contact Cameron Vakili at Cameron.Vakili@BAESystems.com.

- SUNY Upstate Medical University is hosting a Respiratory Therapy Information Session on January 15th from 6:00 to 7:00 pm in Binghamton for prospective students interested in learning more about a career as a Respiratory Therapy and the bachelor’s degree program at SUNY Upstate. There will also be a discussion about their new distance learning Respiratory Therapy program located in Binghamton. Please RSVP by January 14 at http://engage.upstate.edu/register/Binghamton

- Progress on the high school yearbook is underway. Early bird sales are being taken until Friday, December 20th at a lowered price of $70. After Christmas break, the price is $80. Books can be purchased online at Lifetouch.com, go under yearbooks and enter school code 13225420. High School Yearbook orders can also be made in school through Mrs. Schmidt by cash or check made out to Seton Catholic Central.
• One third of the pages have been sold in the High School Yearbook. There are ten pages left. Please submit a digital ad or photos and text of what you want for the yearbook staff to put together. Prices are Full Page- $200, Half Page- $125, Qtr Page- $75, Bus Card-$50. Email Mrs. Schmidt at mschmidt@syrdioce.org with your ad or to answer any questions.

God Bless,
Mr. Martinkovic
Principal
