- The annual STEAM (Science, Technology, Engineering, Arts, and Math) Pathways Evening will take place on Thursday, February 27, 2020 from 4:30-7:00pm at Binghamton University's Innovative Technologies Complex. Youth in grades 7-12 as well as parents and educators are invited to learn more about career opportunities and the pathways to achieve desirable careers in the STEAM fields. Meet local STEAM businesses, Binghamton University and SUNY Broome students, and college advisors. For more information and to register, visit <https://conta.cc/306P2O1>
- Lockheed Martin is seeking high school software engineering interns. An intern in this position will work closely with a team of engineers in a technical application area such as military aircraft avionics, mission systems, sensor subsystems or mail handling systems, unmanned vehicles, mission planning, simulation or automation. Candidates that have a strong desire to engage, and understand the fundamentals of engineering are encouraged to apply. For more information and to apply, visit <https://www.lockheedmartinjobs.com/job/owego/software-engineering-high-school-intern/694/14546595>
- Girls Who Code Club at Binghamton University is accepting student applications from Broome County High School females for their Spring Session. Girls Who Code is a national nonprofit organization working to close the gender gap in the technology and engineering sector. This program runs Saturday mornings from February 8 to May 2. For additional information and to register, visit <https://www.gwcatbinghamton.com/>
- Attention Juniors: Applications for the New Visions program are now available in the Guidance Office. Applications are due February 12, 2020.
- BAE Systems invites students in grades 9-12 to participate in their Engineering Pathfinder Program. Engineering Pathfinder participants will work closely with engineers from BAE Systems and other area institutions. Each week there will be videos, guest speakers, and hands-on projects in a variety of engineering disciplines for students to take part in. The program takes place on Monday evenings from February 3, 2020 - May 4, 2020. There is no cost to participate in this program. For additional information contact Cameron Vakili at Cameron.Vakili@BAESystems.com.
