Bottles and cans can be dropped off at Greenblott Metal Co. on 7 Alice St. in Binghamton, Monday-Friday between 7:30 am and 5 pm and on Saturdays from 7:30 am to 1 pm. Please tell them to apply the funds to Seton's Senior class account. You may drop off any time and as many times between now through the end of May. Thank you all for your support!
- New Visions is a career exploration program designed for highly motivated high school seniors. There are five New Visions academies: Business, Education, Engineering, Health, and Law & Government. Within each academy, students experience professional placements which allow them to shadow professionals in various fields of interest. New Visions Academy work takes place from 8 -11 a.m. every day throughout the entire school year. Students spend the afternoons at their own schools completing graduation requirements and elective courses. There will be an information session for Juniors interested in learning more about the New Visions program at 2:00PM on Monday, February 1st held virtually. Students must sign up with their counselor to attend.
