Other News

Sunday will be the first week of ski club. Despite what it looks like in Binghamton, there is plenty of snow at Greek, the guns have been on almost 24hrs a day this week. I was up there today and they had about 10 trails open, (Green, Blue, and Black) and should have plenty more by the weekend. Temps look good for the next couple weeks. Looked like they were trying to also get Chair 5 open this week.

Our time slot is 12-4pm, Greek Peak said passes will be active for that time period every week with a buffer before and after---so you do not have to be standing at the lift gate exactly at Noon.

I WOULD ADVISE ANYONE WHO DOES NOT ALREADY HAVE THEIR PASSES TO GET THERE 1 HOUR EARLY, OR 2 HOURS EARLY OF YOU RENT EQUIPMENT THIS WEEK. Greek Peak has over 2000 club members this year, which is record setting. So the line to pick up your pass and rental cards will probably be a little longer this year for week 1. (After the 1st week it is much smoother).

----If you have not signed up yet and would like to, please follow the link below and you can set it up: (Select St John from the drop down)
