Saint Quote of the Week:

"We know certainly that our God calls us to a holy life. We know that He gives us every grace, every abundant grace; and though we are so weak of ourselves, this grace is able to carry us through every obstacle and difficulty"

-St. Elizabeth Ann Seton

PRINCIPAL'S NOTE

SCC Community:
We hope everyone enjoyed their July 4th! This day often reminds me of the sacrifices that our Founding Fathers made to create our wonderful nation that protects the rights of all people and in the 1st Amendment protects our religious liberty.

It was a beautiful end to the school year with a special Baccalaureate mass celebrated by Bishop Lucia. The next day we celebrated our graduation ceremonies here at SCC. We are very proud of our class of 2023 and look forward to seeing how they will change the world!

The guidance department is hard at work finishing up the schedules for the 2023-2024 school year. We hope to be able to release them via the FACTS portal in the coming weeks. Report cards were sent out late last week and should have been received by now. Grades are also available on the FACTS portal. If you haven't received one yet, please contact Mrs. Levis and she will alert you as to why.

Please also be aware that the main office will be open Monday-Thursday 8AM-2PM. The main office will be closed on Fridays during the summer. If you need to contact us outside of that time please let us know and we will make sure someone is in the office.

In the past few weeks I have conducted interviews for all of our open teaching positions and am very pleased with the crop of candidates that are interested in teaching at SCC. As we hire the new teachers we will be sure to update families. Please continue to pray that this process brings us dedicated educators!

Attached to this email is a formal signup sheet for the Summer class for credit Health class that we will be offering in August. We ask those interested to please send in a check with the signup form. Any questions please contact Mr. Monachino.

Also attached is the dress code for the 2023-2024 school year. This code was created with the input of staff, parents, and students. Our hope is that this code is more of a continuation of what works in the elementary schools and is simpler/affordable for our families while being easy for our staff to enforce.

God Bless,
Mr. Patrick Monachino '03

HELP THE CLASS OF 2024

Please see the attachments regarding the class of 2024's first major fundraiser at the Binghamton Rumble Ponies game. Rumors are there may be a principal in the dunk tank on game day July 14th!

HIGH SCHOOL YEARBOOK UPDATE

Due to situations beyond our control, the high school yearbook will be delayed. We should receive it during the summer, at which time a notice will be sent out from the front office. Thank you for your patience and understanding.

MUSIC DEPARTMENT REQUEST

The Music Departments at Seton and Catholic Schools of Broome County are seeking donations of wind instruments for our students to use in lessons. We are specifically looking for flutes, clarinets, saxophones, trumpets, and trombones; but will take any other wind instruments that are donated. If you have an instrument in your closet or attic that is sitting there unused, our students can use it! Thank you for your support of the CSBC and Seton Music Departments!!
