WEEKLY NEWS

PRINCIPAL'S NOTE

SCC Community:

Sometimes the shortest weeks seem like the longest! I think that is possibly because of all the wonderful activities happening at SCC this week. On Tuesday we had our first House Meetings of the year where the Houses worked on planning a "Thrift Clothing Drive Store" to raise money for Hurricane relief. See the article below for more information.

We also celebrated our final Senior night of the Fall season with Boys Soccer and their victory over Johnson City!

A special thanks to all of the parents, teachers, and students who came to our Dress Code Taskforce meeting Wednesday night. A great preliminary conversation took place. If you would like to join, please join us at our next meeting November 2nd, at 6:30 PM in the Student Learning Center. As a result of feedback from this meeting we are allowing all students to wear sneakers!

As a reminder students in grades 9-12 must follow our Winter Dress Code starting Monday. Polo shirts are no longer in dress code for students in grades 9-12.

We hope everyone enjoys this weekend and the beautiful Fall colors.

God Bless,

Mr. Patrick Monachino '03

CSBC SAINTS SKI CLUB 2022-2023:

Hello All,

This is the last call for Ski Club members. Please see the attached flyer or information below to sign up:.

It's almost that time again...before you know it the snow guns will be firing! Saints Ski Club 22-23 is ready to go...OPEN TO ALL STUDENTS, STAFF, ALUMNI, FRIENDS, FAMILIES, RELATIVES, NEIGHBORS, ETC...

This year in an effort to reduce the amount of emails that have to be sent out to and through the schools, I am going to run everything through the TeamSnap App. Most of you are familiar with this from Youth Lacrosse and Soccer. Below is the REGISTRATION LINK for the 22-23 Ski Season.

<https://go.teamsnap.com/forms/340749>

I will have everyone register on the app this year so I can better communicate with the club-basically a mailing list for ski events, schedule changes, webstore, etc. As soon as Greek Peak sets up our website for purchasing ski club passes I will send it out to everyone through TeamSnap, as well as post them on Social Media. Feel free to send the link to any friends or family that you would like to invite. The more members the better! Every year the club grows-and last year we were one of the largest clubs at GP.

As always, feel free to contact me with any questions,

Thanks,
Rob Duff
