- **Tuesday September 11th**: SCRIP orders are due to the Main Office

- Please see the Schedule Galaxy website (https://www.schedulegalaxy.com/schools/163) on our website for up to date sports schedule.

- Activity Night for 7th & 8th grades- Friday Sept 7. 5:30-7:00. Seton Catholic Central is welcoming all 7th and 8th graders to join us for food, activities and fun tomorrow night at Seton. Please drop off and pick up your child in the parking lot at the side door of the school. Pizza, chips, cookies and water will be provided free of charge. Some of our Student Council members will be on hand to help facilitate activities such as corn hole, can jam, twister and others. Teacher chaperones will also be there. Please pick up your child at 7:00, again at the side door.

- Visions Federal Credit Union is sponsoring a "Paying for College and Financial Aid Seminar" on Tuesday, September 18, 2018 from 6pm to 8pm at SUNY Broome - Decker Building Room 201. The presentation will feature guest speaker Suzanne Wilkins from Student Choice. Topics of discussion include choosing a college, scholarships, the financial aid process, award letters, and resources and tips on finding and saving money. Please call 800.242.2120 x10586 for reservations.

- SUNY Broome is offering Driver Education & SAT Test Prep through Continuing Education. Visit http://www.sunybroome.edu/web/www/continuing-education for more information. The deadline to register for the Driver Education course is Monday, 9/10/2018.

- This weekend at the LUMA festival, Mr. Jablonowski’s daughter, Molly, will have her art projected on the Atomic Tom's building at 196 State Street as part of the Mural Mappings presentation. Molly’s art piece will be projected multiple times between 9:00pm and midnight on Friday and Saturday night. Her artwork will also be on display at the Cooperative Gallery, 213 State Street through the month of September. Come on downtown to see this exciting presentation!
Mathcounts is a competitive math program for Seton middle school students. It is designed to provide engaging math problems to build confidence and improve attitudes towards math and problem solving. Our first meeting will be held in room 202 after school on Tuesday September 18th. Look for a flyer to come home from 7th and 8th grade math classes with more details. Please feel free to contact Amanda Scott ascott@syrdiocese.org or Gena Howard ghoward@syrdiocese.org with any questions.

The Southern Tier Construction and Technology Career Day will be held on Wednesday, October 3, 2018. Students who attend this exciting event will learn about careers in the construction industry. Participants will be able to view and operate heavy equipment and visit with local construction industry and training personnel to discuss opportunities for college and careers. Any 11th or 12th grade student is eligible to attend. Interested students should see Mr. Harden or Miss Curtin by Monday, September 17th.

If your child is absent please contact Mrs. Levis in the office (607) 723-5307 or email llevis@syrdiocese.org.

Please check the Plus Portal Calendar for all events. You can get to the Plus Portal from our website https://setoncchs.com/

God Bless,
Mr. Martinkovic
Principal
