I hope everyone had a great start to the school year. I am very excited to start this school year. We are very excited to have all of the new faces at SCC. - Hello parents of 7th & 8th graders. This year in ELA we are welcoming our student teacher, Mr. Robbie Black. Mr. Black is finishing his Master’s at Binghamton University and will be in our classroom until the end of October. He will be teaching the same curriculum that I would teach, and he is learning the ins and outs of everyday teaching life, including grading, unit and lesson planning, valid assessment creation, and classroom management. I will be in the classroom every day with him, helping him to develop into a well-qualified teacher. I took a student teacher this year because I had a wonderful experience with my cooperating teachers when I was in school. I feel it is important to give back, and I hope that Mr. Black learns as much from us as we will from him. If you see him, please say hello and welcome him to Seton.

- If your child is absent please contact Mrs. Levis in the office by phone or email llevis@syrdiocese.org.
