

## ***CSBC SCRIP PROGRAM***

**Catholic Schools of Broome County Families,**

Welcome to the 2025-26 SCRIP school year. My name is Denise Anderson, I am the SCRIP coordinator for the Catholic Schools of Broome County. I know many families are familiar with the SCRIP program; however, it never hurts to review the program so that all families, new and returning, will understand how it works.

The dates for this school year are found below, as you can see the first order date is Tuesday, September 9th. Along with this memo is some additional SCRIP information, as well as the September 9th order form. As always, I strongly encourage you to check the Great Lakes website ([www.raiseright.com](http://www.raiseright.com)) for the most current vendor updates.

You can also find SCRIP information/order forms at <https://csbcsaints.org/seton-catholic-central/csbc-scrip/>. The program is in its 30<sup>th</sup> year; it has helped many families over this time. If you have any questions regarding the SCRIP program, please do not hesitate to give me a call. I will be happy to answer any questions you may have regarding the program.

### **2025-2026 SCRIP DATES:**
