

SPRING SCRIP NEWS

As we approach the month of April it becomes clear the school year is quickly coming to an end.

There is still time to save on tuition costs for the **2022-23 school year** through the SCRIP program. There are 3 remaining SCRIP order dates for this school year; March 29 (the last before the Easter break), April 19 and May 24. Profits from these orders can be applied to that tuition bill.

Vendor Updates

Blaze Pizza has returned to the vendor list.

American Express gift cards are now available, there is no activation fee for these cards.

Sunoco gift cards continue to be temporarily unavailable; the SCRIP Center is waiting on Sunoco to replenish the stock.
