

SUMMER SCRIP NEWS

To all families that participated in the SCRIP program for the 2022-2023 school year...your tuition savings have been reported to the Catholic Schools Office and will be reflected in your tuition bill this summer. If you use the installment plan these profits will be distributed over the number of payment's you have selected. If these savings are not incorporated into your bill, please do not hesitate to call me.

This also serves as a reminder that the summer SCRIP order due date is Tuesday, August 1st. If you are going to have an order it is your responsibility to get the order to/pick up from your school. Please specify on the order form the method by which you will be picking up your order. Also please call your school before you drop off any orders as staff are working under summer hour schedules. Remember also that Land's End is the official uniform supplier and is a vendor on the SCRIP program. If you have any questions about this memo or the SCRIP program in general, please feel free to contact me.

The summer order is the first order for the 2023-2024 school year...the savings will be reflected in the 2024-2025 school year tuition bill. This order is also the only order before the start of the school year. The next order will be Tuesday, September 12.

Current order forms, SCRIP due dates and program information are also available on the Catholic Schools of Broome County website (<https://csbcsaints.org/>) located under the CSBC SCRIP drop down on the yellow banner.

Vendor Updates

Wendy's cards remain temporarily unavailable, we are hoping they will be available by mid Fall.

Jimmy John's is the latest vendor to join the SCRIP program, they are located on the Vestal Parkway (near the Verizon store).

******Due to the possible UPS strike the order delivery may be delayed, I would plan on them being ready around August 14 (possibly earlier if there is no strike).***

Enjoy the remainder of your summer.... I will see you in September.
