Dear Parents, Guardians and Families,

As the Thanksgiving holiday quickly approaches, the needs of the families in our community cannot go unnoticed. We as a school can make a difference this Thanksgiving for families in our community. Our Yes Leads club will be coordinating the collection of donations of non-perishable food items starting Monday, November 5th. We will be accepting donations until Monday, November 19th. Donations will be collected by each house in the cafeteria. All collected items will be donated to Catholic Charities at the end of the drive. Whatever you can donate will be greatly appreciated. Below is a list of requested items.

- Any can of vegetables or fruits- corn, beans, peas, pears, peaches, pineapple, etc.
